ZNL-TR14

ZNL-TR21

ZNL - it is not possible to mount the luminaire in electronic circuits with dimmer

Enclosure material: steel, plastic

Minimalism that adapts to you

ZENLU is a collection of custom-made luminaires, designed with flexibility in mind. Offices, hotels, restaurants, lofts or modern apartments - wherever harmony of light and space counts. Freely choose the color and intensity of light, the color of the luminaires, lenses and diffusers.

Installation? As you wish - surface-mounted, on rails or suspended. ZENLU is low UGR, high efficiency and a 5-year warranty. Design and functionality, without compromise.
